### **1. Introduction**

#### **Cultural Assignment: Korean Movie, TV Shows, Literature Review**

**(Due: 6:59 P.M. Wednesday November 27)**

Submit it only through **SafeAssign**.

As you learn more about Korean language, you will notice that it is not easy to separate it from Korean culture. Korean culture is inherent in Korean language and vice versa. Thus, in order to understand how Korean language and Korean culture are related, this cultural assignment asks you to present your thoughts through 1) oral presentation in Korean and 2) written summary in English.

You may choose a Korean movie, TV shows, novels, webtoon, performance, etc. However here are some suggestions for you. The movies listed below provide English subtitles (You may also watch a movie in your first language if it is necessary).

You may explore different aspects of the chosen subject beside a list provided below. Any other topic of interest should first be approved by the instructor in advance.
